Description of Proposal
Does the proposal consist of, or include, the carrying out of building or other operations?
✓ Yes○ No
If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)
Building of 63cm high wall using blocks around existing (in ground) pond to create a raised pond. External dimensions are 4.85m long, by 3.4m wide.
In ground pond is dangerous (have young children) so created a raised pond.
The construction uses solid blocks, rendered and painted externally with stone copings to finish. Both the stone coping and painted render match the garage which is the closest building on the property so could be considered an appropriate style/design to align with.
Our property is listed, Heritage have confirmed no Listed Building Approval is required for this project and it would normally be covered under permitted development, however as we are within a Conservation Area, PD doesn't apply so requesting guidance on whether the construction requires planning approval.
Does the proposal consist of, or include, a change of use of the land or building(s)?
○ Yes ⊙ No
Has the proposal been started?
Yes○ No
Grounds for Application
Information about the existing use(s)
Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful
In ground pond previously, same footprint used but with low walls built up to safeguard for children. No material change of use.
Please list the supporting documentary evidence (such as a planning permission) which accompanies this application
Photos of existing and newly designed pond

Select the use class that relates to the existing or last use.
C3 - Dwellinghouses
Please note that following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.
Information about the proposed use(s)
Select the use class that relates to the proposed use.
C3 - Dwellinghouses

Is the proposed operation or use
⊘ Permanent○ Temporary
Why do you consider that a Lawful Development Certificate should be granted for this proposal?
The proposal makes no material change to the pond which existed previously, has been designed in a style fitting with the environment and (should it ever be so desired by a subsequent owner in the future) the pond 'could' even be reverted to the same design as before without any lasting damage.
Heritage find the proposal acceptable.
Site Visit
Can the site be seen from a public road, public footpath, bridleway or other public land?
○ Yes② No
If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?
○ The agent② The applicant○ Other person
