Dear Joe Lampart,

ref: DC/22/04581 Wingfield Barns and St Andrew Church car park extension

thank you for taking the time to discuss the car park extension at Wingfield Barns with us today. Attached is the plan showing the hard standing build up as well a section of the small earth bund.

I can confirm that the existing concrete access will remain unaltered and exceeds 5 metres from the road to the proposed loose shingle surface.

Please let me know if you require further information.

many thanks,

Luke Heydon.

director of Wingfield Barns CIC
