Details of the pre-application advice received

In relation to the proposed development we were advised that 'the proposed extension is small and proportionate to the space, so that its visual impact on the setting of adjacent listed buildings is minimised and on balance it is considered that the proposed extension is likely to be considered acceptable in terms of its impact on the Listed Building.'

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
