Further to our meeting this afternoon.

I can confirm that it is the intention of the school to implement the Walking Bus Scheme subject to receiving the support we will need to make the scheme successful from our parents.

We appreciate all the support offered to help us consult with parents and deliver the scheme.

I will consider any further support we may need especially regarding the position of Walking Bus Co-ordinator.

Regards

Carol Mason
Headteacher
Cheswick Green Primary School

Subject: RE: Cheswick Green - walking bus condition discharge

Hi Carol,

The planning condition requires a walking bus scheme to be submitted prior to commencement of the development and we have placed a caveat in the document to allow flexibility following your consultation with parents. Its not possible at this stage to expect that all detail for the scheme is known however the broad outline of how the condition will be delivered has been set out. If there are minor amendments to this, to accommodate the staggered start and finish times, for example, to make the bus a success and fit in with the other wider school practices then we can address these with planning at that stage if necessary.

Hope this helps.

Kind regards
