Hi Matt,

Please see below (highlighted in green), email response from the lighting engineers' response to condition 22 as raised by SMBC Ecology. We have also attached further information received back from the contractors in response to condition 21 as raised by SMBC Ecology.

We trust the above is acceptable.

Kind regards

Morning Sandeep,

The emergency light E4 is non-maintained – it will only operate on failure of the local lighting circuit within the classroom.

Regards

Chris
