Address:	stone lea top street askham

#### Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	along with many neighbours I would object to this development as it does not fit in with the village current buildings, the building is extremely larger and most of all higher than the original building, I have recently moved into the area and currently the view from my living room in unobstructed the new development takes this away from my property and reduces my privacy, we would never have brought the house on this basis, it must also have a negative impact on the value of my property with this in mind.

Kind regards
