Subject: APPLICATION: FUL/2022/0522 PROPOSAL: Formation of a temporary access road off Woodplumpton Road to Hollins Cross Farm buildings for duration of construction phase - ref: FUL/2022/0149. AT: Hollin Cross Farm Woodplumpton Road Burnley

[CAUTION : **This email originated from outside of the organisation.**]

The parish council wishes to object to the above application.

The road is only necessary because of application Ful/2022/0149 which the parish council has already expressed a number of concerns over.

We also feel the latest application is unsuitable because Woodplumpton Road is in essence a country road, which is narrow and not suitable for large lorries. We are also concerned the road would cut across the natural surface water courses which run down the field from Crown Point Road.

Best wishes
