In pursuance of its powers under the Town and Country Planning Act 1990, the Blaby District Council **GRANTS** planning permission for the carrying out of the development referred to in PART -1 hereto in accordance with the application and plans submitted, subject to the following conditions;

Conditions attached to the planning permission and reasons for those conditions are :-

Proper Officer of the Council

- 3 The development hereby permitted shall be constructed using the materials specified on the 'Planning Application' forms, which are attached to and form part of this planning permission, unless alternative materials are agreed in writing by the District Planning Authority.
- 4 The existing parking spaces as per plan 19-010 04b to be provided and retained
- 5 The window(s) located in the west elevation/roof shall be obscurely glazed and shall remain so in perpetuity.

REASONS

- 1 To prevent the unnecessary accumulation of unimplemented permissions, to encourage early implementation and to enable the District Planning Authority to review the consent if a further application is made.
- 2 For the avoidance of doubt.
- 3 To ensure that the external materials are not detrimental to the building or character and appearance of the area
- 4 To ensure that adequate off-street parking provision is made to reduce the possibilities of the proposed development leading to on-street parking problems in the area.
- 5 To safeguard the privacy and living conditions of nearby residents.

NOTES TO APPLICANT

1. Lofts and roof spaces are often used by bats, owls and nesting birds for roosting and nesting. Nesting birds and bats, their roosts and their access to these roosts are protected by Law under the Wildlife and Countryside Act 1981 (with amendments).

When work is to be carried out on a built structure it is recommended that the structure is visited and inspected for the presence of bats and birds by a trained operative before development is commenced.

Should bats, owls or nesting birds be discovered in the structure concerned in the application, Natural England must be informed immediately and no works permitted until any necessary mitigation measures have been put in place.

2. The development hereby permitted must be carried out in complete accordance with the approved plans. If changes are made to the approved scheme, whether INTERNALLY or EXTERNALLY, the development will not be in accordance with this

grant of planning permission, it therefore would not benefit from planning permission and may result in enforcement action.

3. If the plans approved involve the carrying out of building work along or close to the boundary, you are advised that under the Party Wall Act 1996 you have a duty to give notice to the adjoining owner of your intentions before commencing this work.
4. The development hereby permitted must be carried out in complete accordance with the approved plans. If changes are made to the approved scheme, whether INTERNALLY or EXTERNALLY, the development will not be in accordance with this grant of planning permission, it therefore would not benefit from planning permission and may result in enforcement action.

SUMMARY OF REASONS FOR RECOMMENDATION AND RELEVANT DEVELOPMENT PLAN POLICIES

- 1 The District Planning Authority has reached its decision taking into account the advice contained within paragraph 38 of the National Planning Policy Framework and, where possible, has worked proactively with the applicants to seek solutions to problems arising in relation to dealing with the planning application.
