- 3 The development hereby permitted shall be constructed using the materials specified on the 'Planning Application' forms, which are attached to and form part of this planning permission, unless alternative materials are agreed in writing by the District Planning Authority.
- 4 The roof area of the extension hereby permitted shall not be used as a balcony, roof garden or similar amenity area without the prior permission of the District Planning Authority granted on an application submitted in that regard.

**REASONS**

- 1 To prevent the unnecessary accumulation of unimplemented permissions, to encourage early implementation and to enable the District Planning Authority to review the consent if a further application is made.
- 2 For the avoidance of doubt.
- 3 To ensure that the external materials are not detrimental to the building or character and appearance of the area
- 4 To safeguard the privacy and living conditions of nearby residents.

**NOTES TO APPLICANT**

1. This grant of planning permission does not authorise any development outside the application site including any foundation, footings, fascias, eaves, soffits, verges or guttering.
2. If the plans approved involve the carrying out of building work along or close to the boundary, you are advised that under the Party Wall Act 1996 you have a duty to give notice to the adjoining owner of your intentions before commencing this work.
3. The development hereby permitted must be carried out in complete accordance with the approved plans. If changes are made to the approved scheme, whether INTERNALLY or EXTERNALLY, the development will not be in accordance with this grant of planning permission, it therefore would not benefit from planning permission and may result in enforcement action.

**SUMMARY OF REASONS FOR RECOMMENDATION AND RELEVANT DEVELOPMENT PLAN POLICIES**

- 1 The District Planning Authority has reached its decision taking into account the advice contained within paragraph 38 of the National Planning Policy Framework and, where possible, has worked proactively with the applicants to seek solutions to problems arising in relation to dealing with the planning application.
