Tom

What do you need covering in the report?

The tree is in good health, with no sign of any disease.

The main reasons for removal I have detailed in the submission.

I do not like taking trees like this down and always prefer reduction etc. However, in this case the customers concerns are valid.

Let me know if you need anything else, and once again apologies for the delay, it has been extremely busy.

Kind Regards,

Jon

Hi Jon,

Just wanted to follow up with you regarding the TPO application you submitted. I received an email from you on 06/09 saying that you would be submitting the report the following morning, however I've yet to receive anything. If you're having any problems let me know and I may be able to assist.
