Subject: P1352/22/TPO - Address

Hi

I am contacting you to ask that the address for P1352/22/TPO be amended, as at present it is stated as being; Car Park, Belle Vue Road, Cinderford, GL14 2AA. The trees subject to this application are situated in the grounds of Acorn House, Belle Vue Road, Cinderford, GL14 2AA. This is the address given in the application form under the details of ownership of the trees. I would be most grateful if this is the address that is used on UNIFORM/IDOX etc. I am awaiting further details from the applicant concerning the extent of proposed work, and will validate when received.

Thanks

Stuart
