

## **Project & Construction Management Plan - Haven Barns – Riding Arena/Menage**

Construction Hours Operations related to the installation between the hours of 08.00 and 18.00hrs Mondays to Fridays and between the hours of 09.00 and 13.00hrs on Saturday.

There shall be no working on Sundays and Bank Holidays. There shall be no deliveries to the development/use arranged for outside of these approved hours.

No burning shall take place on site at any stage during site clearance or installation phases of the project.

Please note there are no planned demolition works or phases in relation to this project.

### **Construction Management Plan**

Means of access – Via main entrance on highway already long established and in regular use. Vehicle parking and manoeuvring areas are all within contained site. There are no protected footpath areas to be considered. Loading and unloading of plant and materials within yard and not public domain.

Wheel washing facilities provided with hoses/brushes and area available adjacent to entrance should it be required.

Welfare Facilities – WC and Break facilities already on site in established building.

Lighting – Hours of work will be during daylight hours, no additional lighting to be used.

Storage – All materials stored adjacent to site in secure area with no public access. Max height 2m. No loose materials.

No temporary buildings being deployed.

Noise and vibration management (to include arrangements for monitoring, and specific method statements for piling) – No Piling required within project. No significant processes anticipated that might produce anti-social noise elements.

Litter and waste management during the construction phases of the development – No demolition and waste disposal anticipated, any packing materials will be recycled.

Lighting – No proposed Lighting at this time.
