Details of the pre-application advice received

Paul Hankins (Babergh and Mid Suffolk District Councils) responded via email to my partner. He advised that planning permission would be required before cladding our extension, due to the materials used on exterior of existing property being different.
Note: the extension itself did not require planning and is built under permitted development.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
