Details of the pre-application advice received
There was detailed preapplication advice which supported the prinicipal of development, but only if scaled back in size and complexity both to the house and the outbuilding / studio.
A planning application was submitted on 18.05.2021 with a reduced and simplified scheme. Following discussions with the Jonathan Duck, Heritage and Design officer, and the time taken to agree further changes, it was agreed to withdraw and submit a revised application. The scale of the development was agreed as appropriate, but further simplification of form was requested to ensure the development would be subservient to the host building. A number of iterations were agreed with Jonathan Duck and the current proposed scheme is one he is happy to support.
