Wet meadow	Yes	The habitat may be of high ecological value, refer to 9	No	No further information required
Wood pasture parkland	Yes	The habitat may be of high ecological value, refer to 9	No	No further information required
Nesting Birds – do you have any trees, shrubs, extensive areas of long grass, or buildings to which birds have access? Please confirm that:	Yes	I will commence tree / building works outside of March – August, or carry out a check for nests prior to commencing works	No	No potential bird nesting habitat is present, and no further precautions are required
Are your proposals likely to have an impact upon any of the designated sites listed in section 10 below?	Yes	Further surveys may be required to determine the likely impact of the works upon the designated site	No	No further information required

IMPORTANT: If you do not believe that any of the features listed below will be affected by your proposals, or if you do not believe that you require further survey or opinion from a professional ecologist, please provide a short 'Self Assessment Statement' detailing what you have done to check whether any of the species listed above are present, and / or why you believe that they are not present.

Useful links are provided in each section below to help in your assessment.
