Dear Sir / Madam

Application for an Exempted Camp Site: Mr S Hyslop, Application No. 075/048

We are proposing to establish a Certificated Site at the address detailed below. If certificated by the Club, the landowner will be permitted to accommodate a maximum of 5 caravans/motorhomes onsite at any one time, plus no more than 10 tents unless express permission has been granted by the Club.

As I am sure you are aware, The Camping and Caravanning Club holds a Certificate of Exemption under Section 269 (6) of the 1936 Public Health Act, as well as Section 2 of the First Schedule to the Caravan Sites and Control of Development Act 1960, which permits the Club to establish small sites without the need to obtain planning permission.

Irrespective of the above, we would like to ask the Local Authority whether there are any objections to the Club issuing a Certificate of Exemption to the landowner. We would also be grateful if you could please confirm if the land is within an Article 4 Direction, or if there are any Planning or Enforcement Notices in force.

Proposed Site Owner: Mr S Hyslop
Proposed Site Address: Wrangham Farm, Doddington, Wooler, Northumberland, TD15 2UN
Map Reference OS Metric (1:50,000): 075 / 008 347

I look forward to receiving your reply within 28 days quoting reference number 075/048. Alternately, please feel free to email me on [REDACTED] For further information regarding the Club, the Exemptions and the nature of Certificated Sites, please visit www.cs-thefacts.co.uk.
