

# PHOTOGRAPHIC PLATES: PLATES 5, 6 and 7

Drwg Ref 418.PS.03  
September 2022

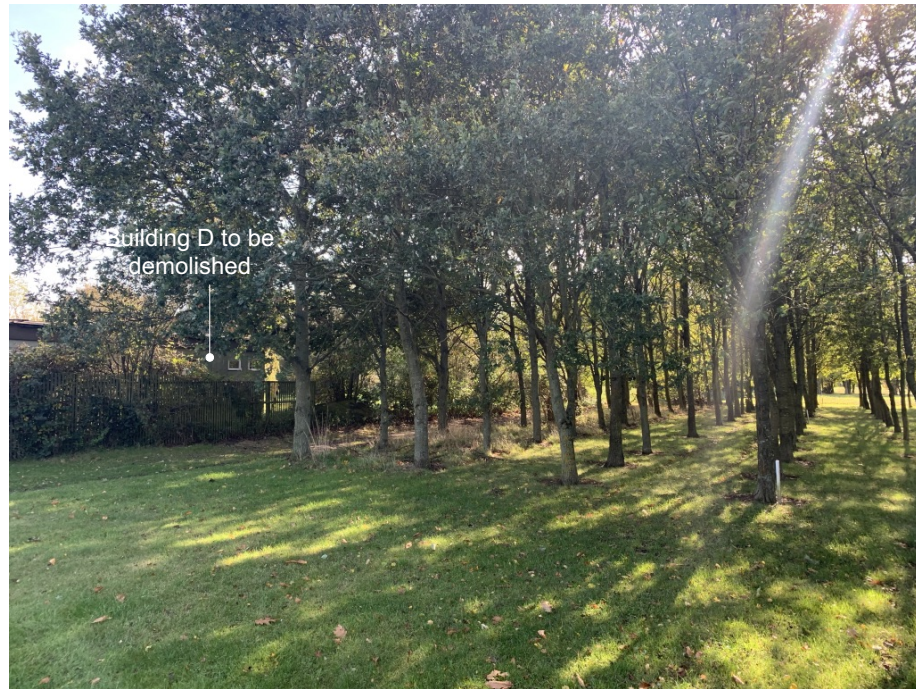

Plate 5: Looking east showing the southern site boundary between Fairways and the golf club, showing the wooded copse. Building D (to be demolished upon completion of the works) is indicated in the background.

Plate 6: Looking south-east from within the plot showing the overgrown vegetable area and poly tunnel frame with a glimpse view through to the golf course in the background.

Plate 7: Looking south-east from within the plot showing the overgrown vegetable area and poly tunnel frame with a glimpse view through to the golf course in the background. The open board fencing along the site boundary has collapsed in this area.

Refer to Photograph key Drwg No 418.PS.01 for viewing locations.
