Hi Simon,

I have spoken with my colleagues who have suggested it would be best to submit a TCON for the works as this would ensure a formal confirmation which is not within the body of a TPO confirmation report. As the works were approved under the confirmation report, it shouldn't take long to receive the decision, please just made note of the TPO recommendation for it to be felled within the app.

The application form is below as well as some additional guidance:

https://ecab.planningportal.co.uk/uploads/appPDF/E2734Form031_england_en.pdf
https://ecab.planningportal.co.uk/uploads/appPDF/Help031_england_en.pdf

Once completed please send the app and a location plan through to DMST@harrogate.gov.uk who can set up the application for you.

Many thanks,

Izabelle

Hi Izabelle,

I hope this email

finds you well.

As you are aware, we have received the Officer Report and recommendations concerning the trees on common land in Nesfield. Whilst this resulted in 3 TPOs being confirmed it was recommended that tree 5(4) should be felled along with some allowable maintenance.

We have informed the Village that these permitted works will be undertaken during the winter months.

Are there any other permissions required (for example do we need Parish Council permission) and if not, can we move forward with this work in the next few months.

Best wishes.

Simon Hearnshaw.
