Good Morning

Please provide a plan to indicate the position of the tree to be removed.

I will set up a file for the Tree Officer and I have informed him that this is a 5 Day Notice.

Kind Regards

Hi,

I believe I have 4 tree's with TPO's on them at my property 20 Holt House Lane PE32 1EL.

One of them is a fir tree which no longer has any green needles and appears dead. I will be

contacting a tree specialist shortly to confirm this. If this is the case I will need to plan removal because my stable outbuilding sits below it.

Are you able to accept this email as the 5 day notification required by government guidelines? Please let me know if you need any further information.

Regards

Rob Arnold
