## Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

### Description

Please describe details of the proposed development or works including any change of use

Pursuant to the proposed internal arrangements to the Church, there is a requirement for a increased fire escape provision, which is proposed to be formed in the East Vestry wall. The development works also require new drainage, services and ASHPs to be installed across the churchyard, for which planning permission is sought.

Listed building Consent is not required as this is handled by the Church of England's internal Faculty system.
