**Conclusions/Planning Balance**

The proposal for the conversion of an existing radio studio into two bedrooms and an en-suite should be submitted under a householder application. It is recommended that the materials are retained to match the existing dwelling, whilst also providing a sympathetic attention to the dwelling.

In conclusion, I consider it likely that the proposal would be supported by officers as long as the scale of the dwelling does not significantly extend beyond the application and the character of the dwelling is retained.

**Authority Employee/Member**

**With respect to the Authority, is the applicant and/or agent one of the following:**

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No
