Details of the pre-application advice received

We were advised that our proposal to reinstate the burnt down roof and parts of the second floor of the Manor house like-for-like are acceptable to the council. We were requested to prepare a set of plans that include a location plan, a roof plan and a dormer section of the most damaged part of the roof. The roof plan should mark the parts of the roof that were affected by fire and that require reinstatement.

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
