Description of the Proposal
Please note in regard to:
 Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance. Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below. Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.
Description
Please describe details of the proposed development or works including any change of use
Extension to the existing agricultural building, rainwater harvesting tank and an extended concrete apron around the tank and extension, including vehicle access tracks into the building. The proposals also include landscaping features such as grassed areas and tree planting in order to improve the appearance of the site and provide screening. See Design, Access and Planning Statement for full details.
Has the work or change of use already started?
○ Yes
⊗ No
Existing Use
Please describe the current use of the site
Land associated with farmyard.

 Yes No
Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.
Land which is known to be contaminated
○ Yes⊙ No
Land where contamination is suspected for all or part of the site
YesNo
A proposed use that would be particularly vulnerable to the presence of contamination
○ Yes⊙ No
Materials
Does the proposed development require any materials to be used externally?
Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)
Type: Roof
Existing materials and finishes:
NA NA
Proposed materials and finishes: Composite roof sheeting
Type:
Walls
Existing materials and finishes: NA
Proposed materials and finishes:
Low level fairfaced concrete panels. Composite sheeting above.
Are you supplying additional information on submitted plans, drawings or a design and access statement?
✓ Yes○ No
If Yes, please state references for the plans, drawings and/or design and access statement
Design, Access and Planning Statement
Dwg. No. 6284/1 Dwg. No. 6284/2 Rev. A

redestrial and vehicle Access, Roads and Rights of Way
Is a new or altered vehicular access proposed to or from the public highway? ○ Yes ○ No
Is a new or altered pedestrian access proposed to or from the public highway? ○ Yes ⊙ No
Are there any new public roads to be provided within the site? ○ Yes ⊙ No
Are there any new public rights of way to be provided within or adjacent to the site? ○ Yes ⊙ No
Do the proposals require any diversions/extinguishments and/or creation of rights of way? ○ Yes ⊙ No
Vehicle Parking Does the site have any existing vehicle/cycle parking spaces or will the proposed development add/remove any parking spaces? ○ Yes ○ No
Trees and Hedges
Are there trees or hedges on the proposed development site? ○ Yes ○ No
And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? O Yes
Assessment of Flood Risk
Is the site within an area at risk of flooding? (Check the location on the Government's Flood map for planning. You should also refer to national
standing advice and your local planning authority requirements for information as necessary.) ○ Yes ○ No

Will the proposal increase the flood risk elsewhere?
○ Yes② No
How will surface water be disposed of?
✓ Sustainable drainage system
☐ Existing water course
Soakaway
☐ Main sewer
☐ Pond/lake
Biodiversity and Geological Conservation
Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?
To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.
a) Protected and priority species
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development② No
b) Designated sites, important habitats or other biodiversity features
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development⊙ No
c) Features of geological conservation importance
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development② No
Supporting information requirements
Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.
Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.
Your local planning authority will be able to advise on the content of any assessments that may be required.
Foul Sewage
Please state how foul sewage is to be disposed of:
☐ Mains sewer ☑ Septic tank
Package treatment plant
☐ Cess pit ☐ Other
Unknown

Are you proposing to connect to the existing drainage system?
○ Yes
No○ Unknown
O DIKTOWIT
Waste Storage and Collection
Do the plans incorporate areas to store and aid the collection of waste?
○ No
If Yes, please provide details:
Recycling Area to include general waste storage.
Have arrangements been made for the separate storage and collection of recyclable waste?
✓ Yes
○ No
If Yes, please provide details:
ii res, piease provide details.
Recycling Area to include separate storage of recyclable waste.

Pre-application Advice Has assistance or prior advice been sought from the local authority about this application? O Yes
⊗ No
Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
Do any of the above statements apply?
○ Yes② No
Ownership Certificates and Agricultural Land Declaration
Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)
Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.
Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days? Yes No
Is any of the land to which the application relates part of an Agricultural Holding?
○ Yes⊘ No
Certificate Of Ownership - Certificate A
I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**
* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.
** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.
NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
