Hello Richard.

I hope this email finds you well. Many thanks for your response to the application.

I have been in contact with the tree surgeon, and they have adjusted their letter regarding the TPO request. Please find attached the modified letter.

For confirmation:

- T22 is the Ash.
- T23 is the Norway Maple.

I have not been into the application and adjusted anything, not sure if I am able to do this.

I hope this clears up any confusion. Should you require any further information, please let me know.

I hope you had a great weekend, and look forward to your feedback in due course.

Many thanks and ...

Best regards.

David.
