Good morning,

Unless you've had a tree expert suggest otherwise, I would suggest that the tree is in fact a Poplar, since Poplars also have white/grey bark.

In order to register the application, I still need the height which you would like to lift the crown to above ground level.

Thanks,  
Tom.

Dear Tim,

Thank you for your email. The TPO refers to a Poplar, however there is only 1 tree in that area and it looks like a Silver Birch? I have attached a picture below. Could you please confirm how we proceed?

Kind regards,

Helen Cant
