NOTES
The highway records are not definitive, but are based on currently available supporting information and are given without warranty.
If possible ditchers are present, the legal presumption without evidence to the contrary is that these do not generally form part of the publicly maintainable highway.
This plan has been produced in response to the enquiry shown in the title address and should not be used for any other purpose, since its accuracy cannot be guaranteed.
If a scale has been provided, measurements scaled from this plan may not match measurements between the same points on the ground.
