

31st OCT 2022

Plan LNS 9EA
Tony Sargent

2, BASSINGHAM ROAD
AUBURN
LINCOLN

Re your letter dated 26/10/22
we most strongly object to the
Application for a "GARAGE" at the above
address as Bassingham Road is a
residential area and the design and size
of the garage looks more like a commercial
building, so would not be appropriate for
this area.

There have already been quite a few
commercial vehicles parked at this
property.

Large Transit vans, 4x4 Range Rovers Types
Vehicles and a vehicle with a cherry Picker
on the back of it, plus trailers and other
sized vans etc)

This makes us believe it would be used
for commercial operations which we do
not want as we are pensioners.

Also it appears that the gravel area at
the rear would be used for parking with

access via the two roller shutter doors
at front and back of the garage,

Yours Sincerely

(MICHAEL BRIGGS)
WALTER BRIGGS
