

**Mr & Mrs T McGhie  
1 Kingsley Square  
Fleet  
GU51 1AH**

Householder planning application for a single storey rear extension and part conversion of garage to habitable accommodation.

Facing brick elevations under felted flat roof with inset lantern roof panel, and extended mono pitch tiled roof to front elevation.

Anthracite powder coated aluminium bi-fold doors and lantern roof.

All materials and finish to match existing.

**Bat Statement**

I can confirm that following a visual inspection of the property roof area and eaves, there is no indication of the presence of bats.
