Hi Keeren
Issue sheet updated with erroneous project number corrected as discussed just now.
I'll come back shortly on drawing no 300, as it seems to be CAD glitch this end.
Thanks
Ian

Hi Keeren
Thanks for the call back this morning.

You advised that it appears that all the drawings have been submitted for all the applications, so they are duplicated essentially.

Hopefully, this will help.
Please find attached issue sheets for the applications.
One is for planning and listed building consent.
One is for advertising consent.
I'm hoping this clarifies matters and allows you to process accordingly?

You also mentioned that there are two site location plans.
We have provided these at two different scales to ensure it is properly covered.
If one needs to be omitted, then please do so.

Please confirm this application can now be processed.

Thanks
Regards
Ian
