PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE) (ENGLAND)
ORDER 2015

Correspondence Address:

Mr Sebastian Blemings
Cherry Tree Cottage
Hitcham Road
WATTISHAM
IP7 7LD

Applicant:

Mr & Mrs Oliver
Rosemary
Church Road
Stowupland
IP14 4BG

Date Application Received: 13-Dec-21

Application Reference: DC/21/06729

Date Registered: 14-Dec-21

Proposal & Location of Development:

Full Planning Application - Severance of garden and erection of 4 no. dwellings with associated vehicular access.

Rosemary, Church Road, Stowupland, Suffolk IP14 4BG

Section A – Plans & Documents:

This decision refers to drawing no./entitled 475-SL1 received 13/12/2021 as the defined red line plan with the site shown edged red. Any other drawing showing land edged red whether as part of another document or as a separate plan/drawing has not been accepted or treated as the defined application site for the purposes of this decision.

The plans and documents recorded below are those upon which this decision has been reached:

Defined Red Line Plan 475-SL1 - Received 13/12/2021
Topographic Survey 475-TS1 - Received 13/12/2021
Block Plan - Proposed 475-01 REV C - Received 13/12/2021
Plans - Proposed 475-02 PLOT 1 - Received 13/12/2021
Plans - Proposed 475-03 PLOTS 2 AND 3 - Received 13/12/2021
Plans - Proposed 475-04 PLOT 4 - Received 13/12/2021
475-VS1 Visibility Splay - Received 13/12/2021

Section B:

Mid Suffolk District Council as Local Planning Authority, hereby give notice that **PLANNING PERMISSION HAS BEEN GRANTED** in accordance with the application particulars and plans listed in section A subject to the following conditions:

1. ACTION REQUIRED IN ACCORDANCE WITH A SPECIFIC TIMETABLE:
COMMENCEMENT TIME LIMIT

The development hereby permitted shall be begun not later than the expiration of three years from the date of this permission.

Reason - To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004

2. APPROVED PLANS & DOCUMENTS

The development hereby permitted shall be carried out in accordance with the drawings/documents listed under Section A above and/or such other drawings/documents as may be approved by the Local Planning Authority in writing pursuant to other conditions of this permission or such drawings/documents as may subsequently be approved in writing by the Local Planning Authority as a non-material amendment following an application in that regard. Such development hereby permitted shall be carried out in accordance with any Phasing Plan approved under Section A, or as necessary in accordance with any successive Phasing Plan as may subsequently be approved in writing by the Local Planning Authority prior to the commencement of development pursuant to this condition.

Reason - For the avoidance of doubt and in the interests of proper phased planning of the development.

3. ON GOING REQUIREMENT OF DEVELOPMENT: TIMESCALE FOR LANDSCAPING

All changes in ground levels, hard landscaping, planting, seeding or turfing shown on the approved landscaping details shall be carried out in full during the first planting and seeding season (October - March inclusive) following the commencement of the development or in such other phased arrangement as may be approved, in writing, by the Local Planning Authority up to the first use or first occupation of the development. Any trees, hedges, shrubs or turf identified within the approved landscaping details (both proposed planting and existing) which die, are removed, seriously damaged or seriously diseased, within a period of 10 years of being planted or in the case of existing planting within a period of 5 years from the commencement of development, shall be replaced in the next planting season with others of similar size and species.

Reason - To ensure that the approved landscaping scheme has sufficient time to establish, in the interests of visual amenity and the character and appearance of the area.

4. PART 1 - ACTION REQUIRED PRIOR TO THE COMMENCEMENT OF DEVELOPMENT
- ARCHAEOLOGICAL EVALUATION

No development shall take place until a scheme of archaeological evaluation of the site has been submitted to and approved in writing by the Local Planning Authority (including any demolition needing to be carried out as necessary in order to carry out the evaluation). The evaluation shall be carried out in its entirety as may be agreed to the satisfaction of the Local Planning Authority,

Reason - To safeguard archaeological assets within the approved development boundary from impacts relating to any groundworks associated with the development scheme and to ensure the proper and timely investigation, recording, reporting and presentation of archaeological assets affected by this development. This condition is required to be agreed prior to the commencement of any development to ensure matters of archaeological importance are preserved and secured early to ensure avoidance of damage or loss due to the development and/or its construction. If agreement was sought at any later stage as there is an unacceptable risk of loss and damage to archaeological and historic assets.

5. PART 2 - ACTION REQUIRED PRIOR TO THE COMMENCEMENT OF DEVELOPMENT - ARCHAEOLOGICAL WRITTEN INVESTIGATION

No development shall take place until a written report on the results of the archaeology evaluation of the site has been submitted to the Local Planning Authority and that confirmation by the Local Planning Authority has been provided that no further investigation work is required in writing.

Should the Local Planning Authority require further investigation and works, no development shall take place on site until the implementation of a full programme of archaeological work has been secured, in accordance with a Written Scheme of Investigation which has been submitted to and approved in writing by the Local Planning Authority.

The scheme of investigation shall include an assessment of significance and research questions; and:

- a. The programme and methodology of site investigation and recording.
- b. The programme for post investigation assessment.
- c. Details of the provision to be made for analysis of the site investigation and recording.
- d. Details of the provision to be made for publication and dissemination of the analysis and records of the site investigation.
- e. Details of the provision to be made for archive deposition of the analysis and records of the site investigation; and
- f. Nomination of a competent person or persons/organisation to undertake the works set out within the Written Scheme of Investigation.

The written scheme of investigation shall be carried out in its entirety prior to any other development taking place, or in such other phased arrangement including a phasing plan as may be previously approved in writing by the Local Planning Authority.

Reason - To safeguard archaeological assets within the approved development boundary from impacts relating to any groundworks associated with the development scheme and to ensure the proper and timely investigation, recording, reporting and presentation of archaeological assets affected by this development. This condition is required to be agreed prior to the commencement of any development to ensure features of archaeological importance are identified, preserved and secured to avoid damage or loss resulting from the development and/or its construction. If agreement was sought at any later stage, there is an unacceptable risk of loss and damage to archaeological and historic assets.

6. PART 3 - ACTION REQUIRED PRIOR TO THE FIRST OCCUPATION OF DEVELOPMENT - ARCHAEOLOGICAL WORKS

No building shall be occupied until the archaeology evaluation, and if required the Written Scheme of Investigation, have been completed, submitted to and approved, in writing, by

the Local Planning Authority. Furthermore, no building shall be occupied until analysis, publication and dissemination of results and archive deposition from the archaeology investigations as agreed under the Written Scheme of Investigation has taken place, unless an alternative agreed timetable or phasing for the provision of results is agreed in writing by the Local Planning Authority.

Reason - To safeguard archaeological assets within the approved development boundary from impacts relating to any groundworks associated with the development scheme and to ensure the proper and timely investigation, recording, reporting and presentation of archaeological assets affected by this development.

7. ACTION REQUIRED PRIOR TO FIRST OCCUPATION: PROVISION OF ACCESS

The new vehicular access shall be laid out and completed in all respects in accordance with drawings listed under Section A; and made functionally available for use prior to first occupation of any building. The access shall be retained thereafter in its specified form.

Reason - To ensure that the access is designed and constructed to an appropriate specification and made available for use at an appropriate time in the interests of highway safety.

8. ACTION REQUIRED PRIOR TO FIRST USE OF ACCESS: HIGHWAYS - PROVISION OF VISIBILITY SPLAYS

Before the access is first used visibility splays shall be provided as shown on approved drawings under Section A and thereafter retained and maintained in the specified form. Notwithstanding the provisions of Part 2 Class A of the Town & Country Planning (General Permitted Development)(England) Order 2015 (or any Order revoking and re-enacting that Order with or without modification) no obstruction over 0.6 metres high shall be erected, constructed, planted or permitted to grow within the areas of the visibility splays.

Reason - To ensure vehicles exiting the drive would have sufficient visibility to enter the public highway safely and vehicles on the public highway would have sufficient warning of a vehicle emerging in order to take avoiding action.

9. SPECIFIC RESTRICTION ON DEVELOPMENT: HIGHWAYS - GRADIENT

The gradient of the approved access and associated access drive shall not be steeper than 1 in 12.

Reason: To ensure that vehicles can enter and leave the public highway in a safe manner.

10. ACTION REQUIRED PRIOR TO FIRST OCCUPATION: HIGHWAYS - ACCESS SURFACE TREATMENT

Prior to the development hereby permitted being first occupied, the new access onto the highway shall be properly surfaced with a bound material for a minimum distance of 5 metres from the edge of the metalled carriageway, in accordance with details which shall previously have been submitted to and approved in writing by the Local Planning Authority. The bound material as may be agreed shall be retained and maintained thereafter as approved.

Reason - To secure appropriate improvements to the existing vehicular access in the interests of highway safety having regard to the increase in its use which will result from the development permitted and to prevent hazards caused by loose materials being carried out into the highway.

11. ACTION REQUIRED PRIOR TO COMMENCEMENT OF WORKS TO ACCESS:
HIGHWAYS - SURFACE WATER DISCHARGE PREVENTION DETAILS REQUIRED.

Prior to the commencement of any works to the access, details shall be submitted to and approved in writing by the Local Planning Authority showing the means to prevent the discharge of surface water from the development onto the highway. The approved scheme shall be carried out in its entirety before the access is first used and shall be retained and maintained thereafter in its approved form.

Reason - To prevent hazards caused by flowing water or ice on the highway.

12. ACTION REQUIRED PRIOR TO USE/OCCUPATION - HIGHWAYS: PROVISION OF PARKING.

The use/building/s shall not be occupied/commenced until the area within the site shown on Drawings listed under Section A for the purposes of loading, unloading, manoeuvring and parking (including garage spaces as applicable) of vehicles has been provided and made functionally available. Thereafter that area/s shall be retained and remain free of obstruction except for the purpose of manoeuvring and parking of vehicles.

Reason - To ensure the provision of adequate on-site space for the parking and manoeuvring of vehicles where on-street parking and manoeuvring would otherwise be detrimental to highway safety.

13. ON GOING REQUIREMENT FOR DEVELOPMENT: REFUSE BINS AND COLLECTION AREAS

The area/s to be provided for storage of Refuse/Recycling bins as shown on the approved drawings shall be provided in its entirety before the development hereby approved is brought into first use/occupation and shall be retained thereafter for no other purpose.

Reason: To ensure that refuse recycling bins are not stored on the highway causing obstruction and dangers for other users.

14. ACTION REQUIRED IN ACCORDANCE WITH A SPECIFIC TIMETABLE: AGREEMENT OF MATERIALS

No development/works shall be commenced above slab level until precise details of the manufacturer and types and colours of the external facing and roofing materials to be used in construction have been submitted to and approved, in writing, by the Local Planning Authority. Such materials as may be agreed shall be those used in the development and fully applied prior to the first use/occupation.

Reason - To secure an orderly and well designed finish sympathetic to the character of the existing building(s) and in the interests of visual amenity and the character and appearance of the area.

15. SPECIFIC RESTRICTION ON DEVELOPMENT: REMOVAL OF PERMITTED DEVELOPMENT RIGHTS

Notwithstanding Section 55 (2)(a)(ii) of the Town and Country Planning Act 1990 as amended and the provisions of Article 3, Schedule 2 Part 1 Classes A to E and H and Part 2 Class A of the Town and Country Planning (General Permitted Development) Order 2015, (or any Order revoking and re-enacting that Order with or without modification):- - no enlargement, improvement, insertion of new openings or other alteration of the dwelling house(s) shall be carried out, - no garage, car port, fence, gate, wall or any other means of enclosure, building or structure shall be erected, except pursuant to the grant of planning permission on an application made in that regard.

Reason - To enable the Local Planning Authority to retain control over the development in the interests of the amenity of the locality and to safeguard local distinctiveness.

SUMMARY OF POLICIES WHICH ARE RELEVANT TO THE DECISION:

NPPF - National Planning Policy Framework
FC01 - Presumption In Favour Of Sustainable Development
FC01_1 - Mid Suffolk Approach To Delivering Sustainable Development
FC02 - Provision And Distribution Of Housing
CS01 - Settlement Hierarchy
CS02 - Development in the Countryside & Countryside Villages
CS05 - Mid Suffolk's Environment
CS09 - Density and Mix
GP01 - Design and layout of development
HB01 - Protection of historic buildings
HB14 - Ensuring archaeological remains are not destroyed
H07 - Restricting housing development unrelated to needs of countryside
H13 - Design and layout of housing development
H15 - Development to reflect local characteristics
H16 - Protecting existing residential amenity
H17 - Keeping residential development away from pollution
CL08 - Protecting wildlife habitats
CL11 - Retaining high quality agricultural land
T09 - Parking Standards
T10 - Highway Considerations in Development
RT12 - Footpaths and Bridleways

NOTES:

1. **Statement of positive and proactive working in line with the National Planning Policy Framework (NPPF)**

When determining planning applications The Town and Country Planning (Development Management Procedure) (England) Order 2015 requires Local Planning Authorities to explain how, in dealing with the application they have worked with the applicant to resolve any problems or issues arising. In this case the applicant sought pre-application advice from the LPA prior to submission of the formal application, which was able to be approved as submitted so there was no need to work further with the applicant.

2. **Highways Note**

It is an OFFENCE to carry out works within the public highway, which includes a Public Right of Way, without the permission of the Highway Authority. Any conditions which involve work within the limits of the public highway do not give the applicant permission to carry them out. Unless otherwise agreed in writing all works within the public highway shall be carried out by the County Council or its agents at the applicant's expense. The County Council's Central Area Manager should be contacted on Telephone 01473 341414. Further information go to: www.suffolk.gov.uk/environment-and-transport/highways/dropped-kerbs-vehicular-accesses/

3. **Land Contamination Note**

The Council's environmental protection team has assessed the site and proposal and can find no reason to suggest that there is a potential risk from land contamination. The applicant is however advised to contact the Council's environmental protection team on 0300 123 4000 should any unexpected ground conditions be encountered during construction of the development hereby approved.

The developer is hereby made aware that the responsibility for the safe development and secure occupancy of the site rests with them.

4. **Public Right of Way Note**

The applicant's attention is drawn to the advice given in the consultation response received from Suffolk Country Council Public Rights of Way in the carrying out and operating of the development hereby approved.

Babergh and Mid Suffolk District Councils have adopted Community Infrastructure Levy (CIL) charging which affects planning permissions granted on or after 11th April 2016 and permitted development commenced on or after 11th April 2016. If your development is for the erection of a new building, annex or extension or the change of use of a building over 100sqm in internal area or the creation of a new dwelling or holiday let of any size your development may be liable to pay CIL and you must submit relevant documents to our Infrastructure Team telling us more about your development, who will pay CIL and when the development will start. You will receive advice on the amount you have to pay and what you have to do and you can find more information about CIL on our websites here:

[CIL in Babergh](#) and [CIL in Mid Suffolk](#) or by contacting the Infrastructure Team on: infrastructure@baberghmidsuffolk.gov.uk

This relates to document reference: DC/21/06729

Signed: Philip Isbell

Dated: 8th February 2022

**Chief Planning Officer
Sustainable Communities**

Important Notes to be read in conjunction with your Decision Notice

Please read carefully

This decision notice refers only to the decision made by the Local Planning Authority under the Town and Country Planning Acts and DOES NOT include any other consent or approval required under enactment, bylaw, order or regulation.

Please note: depending upon what conditions have been attached to the decision, action may be required on your part before you can begin your development. Planning conditions usually require that you write to the Local Planning Authority and obtain confirmation that you have discharged your obligations. You should read your decision notice in detail and make a note of the requirements placed on you by any conditions. **If you proceed with your development without complying with these conditions you may invalidate your permission and put your development at risk.**

Discharging your obligations under a condition:

You should formally apply to discharge your conditions and the relevant application forms are available on the Council's website. The Local Planning Authority has 8 weeks to write to you after you submit the details to discharge your conditions. You should always account for this time in your schedule as the Local Planning Authority cannot guarantee that conditions can be discharged quicker than this. A fee is applicable for the discharge of planning conditions.

Building Control:

You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control Section of Babergh and Mid Suffolk District Councils.

Appeals to the Secretary of State

1. If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission or consent, or to grant permission or consent subject to condition, they may appeal to the Secretary of State for Communities and Local Government. The applicant's right of appeal is in accordance with the appropriate statutory provisions which follow:

Planning Applications: Section 78 Town and Country Planning Act 1990

Listed Building Applications: Section 20 Planning (Listed Buildings and Conservation Areas) Act 1990

Advertisement Applications: Section 78 Town and Country Planning Act 1990
Regulation 15

Town and Country Planning (Control of Advertisements) Regulations 2007

Notice of appeal in the case of applications for advertisement consent must be served within eight weeks of receipt of this notice. Notice of Householder and Minor Commercial Appeals must be served within 12 weeks, in all other cases, notice of appeal must be served within six months of this notice. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within six months of the date of this notice, whichever period expires earlier.

Appeals must be made on a form which is obtainable from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or online at <https://www.gov.uk/government/publications/modelnotification-notice-to-be-sent-to-an-applicant-when-permission-is-refused>

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he/she will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him/her that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by it, having regard to the statutory requirements*, to the provisions of the Development Order, and to any directions given under the Order. The Secretary of State does not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by him/her.

2. If permission or consent to develop land or carry out works is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use by the carrying out of any development or works which has been or would be permitted they may serve on the Council of the district in which the land is situated, a purchase notice requiring the Council to purchase his interest in the land in accordance with the provisions of Section 137 of the Town and Country Planning Act 1990 or Section 32 Planning (Listed Buildings and Conservation Areas) Act 1990.

*The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70 and 72(1) of the Act.
