Description

Please describe details of the proposed development or works including any change of use

So we didn't realise that part of land wasn't included with the sale of the house as it was just overgrown bushes which people liked to throw litter into and had big thorns going out into the public footpath so we thought we would sort it out as we thought it was our responsibility, also we have gravelled the larger area by the house as a place to park as we have 3 cars and the on street parking is heavily congested in this area. We then received a letter from Livin explaining we had illegally used the land therefore we would like to correct our mistake and buy the land please. So the change of use would be from amenity land to domestic garden/off street parking please. We would like to use the bigger section at the side of the house for off street parking please and the smaller part by the garage as a place to store our litter/recycling/garden waste bins while maintaining a clean area and potentially fence it off with a low fence if possible.
