Dear Amy,

Thank you for your letter (attached for reference). I attach amended drawings.

I have addressed each point as follows:

1. Site plans amended to 1:200 and proposed elevations amended to 1:100. Site levels are to remain as existing and site layout plans are noted as existing and proposed respectively. I question the need to show actual site levels as 1) they are remaining the same and 2) the previous application for this site (ref:20/02009/F) was validated and considered without any spot levels.
2. Block / site plan scale amended to 1:200
3. Understood. I assume I will receive a phone call to pay the additional by card?
4. 1:50 section now provided, on attached drawings.

Kind Regards
