Morning,

We received an invalid letter regarding 22/1543/LBC Holland Cottage. Please see the drawings attached above for consideration. I have created drawings P03 and P04 regarding the staircase and windows. Hopefully there is enough information this time. The proposed staircase will be bespoke made so photographs cannot be provided. I am unable to provide any specification for the glass roof tiles as they will be reclaimed.

I have updated our application and drawings to have the same address. Apologies for the confusion on this. Our client believes the address is Haceby Road, Newton. Drawings have been updated.

We are happy for you to 'condition' anything you may need extra information on.

Regards

Rob Fordham
