Re: Planning Statement 20 Chequers Rise, Great Blakenham, IP6 0LT.

The existing dwelling is a detached bungalow with a detached garage/workshop within the village of Great Blakenham in Suffolk. The front of the property is south facing with access being to the side East facing elevation. The existing features consist of brickwork and cladding to the walls, pantiles to the roof and white UPVC windows/doors.

The proposed application is to build a single storey rear extension, with a room within the roof space, in order to create an extra bedroom, open plan kitchen/diner and minor alterations to existing internal areas. The proposed finishes will match the existing features and surrounding area, with brick facing walls, tiles to the roof and UPVC windows and a bifold door.
