NOTES

(1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may by notice served within six months of receipt of this notice, appeal to the Secretary of State for the Environment in accordance with Section 36 of the Town and Country Planning Act, 1971. Notice of Appeal must be given on the appropriate form which may be obtained from the Department of the Environment, Tollgate House, Houlton Street, Bristol, BS2 9DJ. The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not, however, required to entertain such an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order. (The statutory requirements include sections 70 and 77 of the Town and Country Planning Act, 1971.)

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Minister of Housing and Local Government, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the county borough or county district in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act, 1971.

(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused, or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 169 of the Town and Country Planning Act, 1971.

The site shall not be used as a caravan site for the purposes of human habitation between 31 October in any one year and 1 March in the succeeding year and all caravans shall be removed from the site on or before 31 October in each year except the 15 static caravans for storage only over the winter period and these caravans shall be painted olive/brown (BS 10C 39) to the satisfaction of the Local Planning Authority by the winter period.
4. Before any development commences the applicant shall submit to and have approved by the Local Planning Authority a landscaping scheme for the site, including the planting of trees. Thereafter the said scheme, including tree planting, shall be carried out as agreed not later than the next planting season immediately following the commencement of any development and shall be maintained thereafter and replaced as may be necessary for a period of two years from the date of completion of the planting to the satisfaction of the Local Planning Authority.
