Drawings to be read in conjunction with those of consulting structural engineer. These drawings are provided for the stated purpose (stated only). Unless expressly stated, these are not for construction. Do not scale from these drawings. If in doubt, contact this office. The drawing may be suitable for construction purposes but it may be necessary to augment &/or amend this information for this purpose and it is the duty of the employer to appoint a consultant to carry out that duty. No liability will be accepted by Kevin O'Brien Architects Ltd (KOBA) for any omission on the drawing should the employer not appoint a consultant (CDM2015) to advise on the health & safety aspects of the design. HEALTH & SAFETY: 1995 (to be noted at all times): Check all steps in construction process for risks to H & safety & deal with handling and disposal issues, all asbestos (previously identified & unidentified) to be removed by a specialist contractor before any construction works takes place, unless otherwise stated. Service connections & connection to the mains are the responsibility of the contractor unless otherwise stated. Carefully check all dimensions on site before ordering materials or setting out any work. Do not scale from drawings. Figured dimensions to be worked to in all circumstances. Report any discrepancies to the architect immediately. Work to be executed in a workmanlike manner with adequate bracing & temporary supports as necessary. Overhead cables to be carefully identified & safe working clearances established before any work commences
