Dear Sir or Madam

TOWN AND COUNTRY PLANNING ACT 1990

Details: **Erection of a 2-storey 3-bed dwelling at Land S of 37 To 39 And NE of 33
Gaultree Square Emneth Wisbech Norfolk**

I have received a planning application as detailed above but cannot process it until I receive some more information:

1. From the 1st April 2016 the Habitats Regulations Monitoring and Mitigation Contribution levy came into force. The fee must be paid at the planning application submission stage or by entering into a Unilateral Undertaking / S106 agreement if you wish to pay later.

From 1 April 2022 this was increased to £185.93.

Therefore, a fee of £185.93 per dwelling, plus a £55 Administration Fee is payable on completion of a Unilateral Undertaking.

Payment in advance is charged at £185.93 per dwelling with no administration fee payable.

If you pay the fee via BACS - please quote the planning reference in the payment reference, to avoid delays.

Once this information is received your application will become valid and the application can be passed to the relevant planning officer.

To enable us to deal with the additional information requested efficiently could you please ensure you quote the Application Number detailed at the top of this letter along with the name of the officer detailed on this letter. Could you also clearly state the location and details of the proposed development in all correspondence and **mark it for the attention of Amy Davies**

Yours faithfully
