Application for Planning Permission

Town and Country Planning Act 1990 (as amended)

Publication of applications on planning authority websites

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

Site Location

Disclaimer: We can only make recommendations based on the answers given in the questions.

If you cannot provide a postcode, the description of site location must be completed. Please provide the most accurate site description you can, to help locate the site - for example "field to the North of the Post Office".

Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

Erection of a single, three-bedroom eco-house over 1.5 storeys.

Has the work or change of use already started?

Yes

No

Existing Use

Please describe the current use of the site

Unused field with no planning history.

Is the site currently vacant?

- Yes
 No

If Yes, please describe the last use of the site

Unused field.

When did this use end (if known)?

dd/mm/yyyy

Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated

- Yes
 No

Land where contamination is suspected for all or part of the site

- Yes
 No

A proposed use that would be particularly vulnerable to the presence of contamination

- Yes
 No

Materials

Does the proposed development require any materials to be used externally?

- Yes
 No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)

Type:

Roof

Existing materials and finishes:

Proposed materials and finishes:

Dark grey standing seam zinc roof with galvanised metal downpipes and gutters.

Type:

Walls

Existing materials and finishes:

Proposed materials and finishes:

Vertically mounted weathered Siberian larch cladding.

Type:

Windows

Existing materials and finishes:

Proposed materials and finishes:

Nordan Storm Guard triple-glazed timber-framed windows, with exterior grey aluminium finish and internal blackout screens.

Type:

Doors

Existing materials and finishes:

Proposed materials and finishes:

Nordan Storm Guard triple-glazed timber-framed doors with exterior grey aluminium finish and internal blackout screens.

Type:

Boundary treatments (e.g. fences, walls)

Existing materials and finishes:

Boundary consists of post and wire fencing with access via 2 x five-bar field gates.

Proposed materials and finishes:

Wire fencing to be upgraded. Post and Harris rail to be installed along roadside elevation.

Type:

Vehicle access and hard standing

Existing materials and finishes:

Proposed materials and finishes:

Peastone gravel entrance road leading to exit, including parking. Natural stone paving footpath to main entrance.

Type:

Lighting

Existing materials and finishes:

Proposed materials and finishes:

To protect the night sky environment, all external lighting will be minimal, subtle, and sensitive to the locale, and will consist of recessed/hidden LED brick and path lights.

Are you supplying additional information on submitted plans, drawings or a design and access statement?

Yes

No

If Yes, please state references for the plans, drawings and/or design and access statement

Design and Access statement provided with application (Design-Access-SO24-9RY.pdf)

Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicular access proposed to or from the public highway?

- Yes
 No

Is a new or altered pedestrian access proposed to or from the public highway?

- Yes
 No

Are there any new public roads to be provided within the site?

- Yes
 No

Are there any new public rights of way to be provided within or adjacent to the site?

- Yes
 No

Do the proposals require any diversions/extinguishments and/or creation of rights of way?

- Yes
 No

Vehicle Parking

Does the site have any existing vehicle/cycle parking spaces or will the proposed development add/remove any parking spaces?

- Yes
 No

Vehicle Type:

Cars

Existing number of spaces:

0

Total proposed (including spaces retained):

2

Difference in spaces:

2

Vehicle Type:

Cycle spaces

Existing number of spaces:

0

Total proposed (including spaces retained):

2

Difference in spaces:

2

Trees and Hedges

Are there trees or hedges on the proposed development site?

- Yes
 No

And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?

- Yes
 No

If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of the local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside the application. The local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

Assessment of Flood Risk

Is the site within an area at risk of flooding? (Check the location on the Government's [Flood map for planning](#). You should also refer to national [standing advice](#) and your local planning authority requirements for information as necessary.)

- Yes
 No

Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?

- Yes
 No

Will the proposal increase the flood risk elsewhere?

- Yes
 No

How will surface water be disposed of?

Sustainable drainage system

Existing water course

Soakaway

Main sewer

Pond/lake

Biodiversity and Geological Conservation

Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?

To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.

a) Protected and priority species

Yes, on the development site

Yes, on land adjacent to or near the proposed development

No

b) Designated sites, important habitats or other biodiversity features

Yes, on the development site

Yes, on land adjacent to or near the proposed development

No

c) Features of geological conservation importance

Yes, on the development site

Yes, on land adjacent to or near the proposed development

No

Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

Foul Sewage

Please state how foul sewage is to be disposed of:

Mains sewer

Septic tank

Package treatment plant

Cess pit

Other

Unknown

Are you proposing to connect to the existing drainage system?

Yes

No

Unknown

Waste Storage and Collection

Do the plans incorporate areas to store and aid the collection of waste?

- Yes
 No

If Yes, please provide details:

There is ample space for refuse and recycling wheelie bins to be stored in a designated area close to the access road, where they can be easily wheeled down to the edge of Berrywood Lane on collection day.

Have arrangements been made for the separate storage and collection of recyclable waste?

- Yes
 No

If Yes, please provide details:

There is ample space for a recycling wheelie bin and box to be stored in a designated area alongside the refuse bin, and wheeled down to the edge of Berrywood Lane on collection day.

Trade Effluent

Does the proposal involve the need to dispose of trade effluents or trade waste?

- Yes
 No

Residential/Dwelling Units

Does your proposal include the gain, loss or change of use of residential units?

- Yes
 No

Please note: This question is based on the current housing categories and types specified by government.

If your application was started before 23 May 2020, the categories and types shown in this question will now have changed. We recommend that you review any information provided to ensure it is correct before the application is submitted.

Proposed

Please select the housing categories that are relevant to the proposed units

- Market Housing
 Social, Affordable or Intermediate Rent
 Affordable Home Ownership
 Starter Homes
 Self-build and Custom Build

Self-build and Custom Build

All Types of Development: Non-Residential Floorspace

Does your proposal involve the loss, gain or change of use of non-residential floorspace?

Note that 'non-residential' in this context covers all uses except Use Class C3 Dwellinghouses.

- Yes
- No

Employment

Are there any existing employees on the site or will the proposed development increase or decrease the number of employees?

Yes

No

Hours of Opening

Are Hours of Opening relevant to this proposal?

Yes

No

Industrial or Commercial Processes and Machinery

Does this proposal involve the carrying out of industrial or commercial activities and processes?

Yes

No

Is the proposal for a waste management development?

Yes

No

Hazardous Substances

Does the proposal involve the use or storage of Hazardous Substances?

Yes

No

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

Yes

No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

The agent

The applicant

Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

Yes

No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

Declaration

I / We hereby apply for Full planning permission as described in this form and accompanying plans/drawings and additional information. I / We confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the persons giving them. I / We also accept that: Once submitted, this information will be transmitted to the Local Planning Authority and, once validated by them, be made available as part of a public register and on the authority's website; our system will automatically generate and send you emails in regard to the submission of this application.

I / We agree to the outlined declaration

Signed

DARRELL ALDEN
