

HERTIAGE STATEMENT

Proposed work: Part single storey, part two storey side and rear extensions

At: 116 Oaklands Ave WD19 4LW

The proposed extensions do not affect or change the protected features of the house which are only on the front elevation.

The proposed side and rear extensions improve the overall look and design integration of the house when compared to the existing haphazard extensions.

The proposed design and materials closely match the existing thus keeping a natural look to the house (and an improvement to the current look).
