Tree Survey

With respect to this planning application few trees of merit lie nearby and no trees, or any other plants will require removal.

With reference to the "Yaugher Lodge Block and Tree Plan" supplied, Tree No:-

- 1 Oak in good condition, 18m high, 7m radius crown, trunk diameter 0.6m.
- 2 Ash with no visible die-back, 20m high, 6m radius crown, trunk diameter 0.6m
- 3 Beech in good condition, 20m high, 9m radius crown, trunk diameter 1m.
- 4 Beech in good condition, 20m high, 7m radius crown, trunk diameter 0.8m.
- 5 Oak in good condition, 18m high, 7m radius crown, trunk diameter 1.2m.

Much of the land between and around the Lodge and Manor is coppice Chestnut with many established Yew and other evergreens.
