Heritage Impact Assessment

Yaugher Lodge is located 100m from Yaugher Manor, It would appear both are covered by the English Heritage listing 1069375 "Queendown Warren". A copy of the listing is supplied.

Yaugher Manor has elements from many periods, our proposed extension is visually similar to extensions of the Manor itself.

The extension will be set back from the main frontage but will have the same painted render finish. It will have a roof angle, eaves detail and Slate type similar to the Manor. I would like to use reclaimed Welsh Slate to give it some age. Windows will be an exact copy of the other windows of the house which are all the same design.

It may be worth mentioning that at no point can you see one house from the other. However we are dedicated to making the addition look sympathetic to its surroundings and are open to any suggestions that may help this.
