b) works to the exterior of the building?

Yes

No

c) works to any structure or object fixed to the property (or buildings within its curtilage) internally or externally?

Yes

No

d) stripping out of any internal wall, ceiling or floor finishes (e.g. plaster, floorboards)?

Yes

No

If the answer to any of these questions is Yes, please provide plans, drawings and photographs sufficient to identify the location, extent and character of the items to be removed. Also include the proposal for their replacement, including any new means of structural support, and state references for the plan(s)/drawing(s).

Please see the attached photos. The red line represents a 28mm copper pipe, which is intended to be painted a colour to blend in with the brickwork. The photo of the side elevation shows the position of the existing flue (marked with a yellow circle) and the proposed position of the new flue (marked in red). The climbing plant on the side elevation of the property will need to be pruned sufficiently so as to not obstruct the new flue. There is an existing plastic oil tank in the garden which will be decommissioned and safely removed in accordance with the environmental regulations.
