Subject: RE: Invalid Planning Application 2022/2209 Response

Hello Sonia,

Thank you for your indicative response to the LBC application above.

1. I've attached an indicative drawing of Bretts Manor schematic for reference as to the position of the ceiling. The RHB Dimensional Drawing included in the submission shows the dimensional floor plan of the RHB floor to stay (460cm x 307cm) and ceiling for removal (350cm x 307cm). The dimensional floor plan drawing is a viewing from above the ceiling viewing downwards on the bedroom floor plan dimension. The RHB ceiling is in the East facing part of the property. Does this satisfy your question ?
2. Location Plan attached. Site area and access marked in red and land boundary in blue as requested. Apologies as I had loaded an alternative document which showed the access statement. Does this now meet your requirement ?

Thanks for your help in this matter.

Best Regards, Neil.
