Re: Boundary Farm, Framingham Earl Road, Yelverton

Dear Mr and Mrs Wilcockson,

With regards to holiday lodge at Boundary Farm, it is our professional opinion that having an additional 2 bedrooms would make this property far more desirable as we typically find larger properties in more remote locations generate more bookings. This would also be benefited by the addition of a downstairs bedroom that caters for disable/elderly/limited mobility also by having included associated washing and toilet facilities. By having this option, it was increase the property's customer potential considerably.

Kind regards,

Oliver Hubbard
