

Rectangular stanchions are 200 x 150 softwood sleepers.

Round stanchions are 250mm dia softwood telegraph poles.

Central support to Elevation 1 is 50mm galvanised steel tube

All stanchions concreted into 1 metre deep holes.

DO NOT SCALE
 This drawing must not be scaled.
 The Principal Contractor is to verify all dimensions, levels and datums prior to commencement of work.
 Any discrepancies are to be reported immediately to the Project Manager.
 Variations and modifications to the work shown on these drawings are not to be carried out without the written permission of the Project Manager.
 This drawing is the property of the issuer. The information shown is to be treated as confidential and must not be copied, reproduced or disclosed to any third person without the issuer's written permission.
