Not sure if my inquiry classed as Pre-application? But Katherine's reply mail
Dear Mr Byatt,
I hope that this email finds you well. Thank you for your recent enquiry regarding the proposed removal of the thatch at your barn on Mill Lane, Ecchinswell. Please accept my apologies for the delay in getting back to you.
As you are aware, the barn is Grade II listed. It is also located within the Ecchinswell Conservation Area. As the building is listed, I can confirm that listed building consent would be required to remove the thatch.
I can see that the listing description for the barn states that it had a corrugated iron roof at the time of listing, and that planning permission and listed building consent appear to have been granted to thatch the barn in 1992 (under application reference BDB/33024 and BDB/33025). Within the Officer's recommendation report, it was considered that the thatch would be a positive enhancement to the significance of the listed building.
However, as the original listing description states the roof to be of corrugated iron, the removal of the thatch would be restoring the barn to what is stated in the listing description. Therefore, an application for its removal would likely be considered acceptable.
I have included a link below to the relevant forms and details for listed building consent applications: https://www.basingstoke.gov.uk/rte.aspx?id=1329&ApplicationTypeId=9
I trust that the above will be of assistance.
Kind Regards, Katherine
Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having
considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
Do any of the above statements apply?
○ Yes ⊙ No
