Dear Sirs,

Further to your email and letter please see below the response to the validation questions.

1. Please provide details of the proposed fencing and gate.

The Fencing will be a post and rail wooden fence around the perimeter with 2 6ft wooden gates with code padlock and chain, The owner of the site will be on site to administer the security of the gate.

2. Please provide details of the proposed security system.

The proposed security is for cameras to be used connected to the existing Hikvision system that is already in place.

If you require any further details please ask.

Yours sincerely,

Brendan Reidy
