| Eligibility   |
| This permitted development right was amended on 1 August 2021 to no longer include changes of use to those previously classified as 'assembly and leisure' that are not now included in Use Class E (commercial/business/service).  If your proposed change of use is to a Hotel, Storage and Distribution, or Use Class E (e.g. shops; financial/professional services; restaurants and cafes; offices; business; indoor sport, recreation, or fitness) then this type of application is still valid for eligible proposals.  If your proposed change of use is to a Local Community or Sui Generis use previously classified as 'assembly and leisure' (e.g. cinemas; concert halls; bingo halls; or dance halls) then: |
| <ul> <li>You should not continue with this application after the end of July 2022 as it will be refused by the Local Authority and you may not be eligible for a refund.</li> <li>This is no longer considered to be permitted development. Proposals remained eligible if applications of this type were submitted before the end of July 2022, but after that point an application for 'Full planning permission' will be required.</li> </ul>  |
| Permitted development rights are subject to conditions set by legislation to ensure that only appropriate proposals are eligible. The need to apply to the Local Planning Authority to see if prior approval is required is one such condition.   |
| The questions below will help determine if the proposals are eligible for this permitted development right.   |
| Was the use of the site on 3 July 2012 (or the last use before that date) solely for an agricultural use as part of an established agricultural unit?   |
|   |
