Dear Validation Team

Thank you for your email.

We respond to your points as follows:

1. This is a revision of a previous application (22/02600/FUL) that has been withdrawn so we believe this qualifies as a 'free go'.
2. There will be no fowl sewage connection required as there will be no sanitary facilities installed in the portacabins - this box was ticked in error on the form. The surface water will be disposed of via a soakaway.
3. Economic Statement attached.

Kind regards,

Emma
