Hi Luke,

I've just e-mailed applicant with a request for payment of the [REDACTED] many thanks indeed for sorting this one so quickly. Starting the work is a key issue regarding the extant consent, so time is of the issue. Regarding the plan completed by CK Direct, I am conscious that the copy is not as clear as it could be - it iOS available in electronic format - do you want me to forward copy ?

Dear Mr Stephenson,

Thank you for your application to vary a condition at The King's Arms in Shouldham. I am emailing you in regards to the location plan submitted. As this is an application to vary a condition, a location plan is not required and therefore I have disregarded the location plan as part of this application. As it stands the only thing outstanding is the fee which for a variation of condition is [REDACTED] See the sent invalid letter for ways that you can pay.

Kind Regards,
